MESSAGE FROM THE INCOMING PRESIDENT OF SOUTHERN NEVADA PUBLIC TELEVISION

Continued Commitment in The New Year

As I step into the role of president of the Board of Directors of Southern Nevada Public Television (SNPT), I could not be more excited and honored to follow in the footsteps of our outgoing leader Tom Warden.

None of us expected 2020 to be such a tumultuous and uncertain year. One thing I know for certain, however, is that Vegas PBS's commitment to the community – through Content, Educational and Ready To Learn services, Workforce Training and support to Public Safety – has remained unwavering. In part and as a result of these efforts, Vegas PBS was honored last fall to be recognized as the Nonprofit of the Year in the annual *Vegas INC's 2020 Angel Awards*.

“The year begins with a look at what it means to be an American today.”

Vegas PBS' mission is to create an informed and engaged community through high-tech, high-touch experiences that educate and empower individuals and organizations. Working closely with the staff and leadership team at Vegas PBS, I can truly say they are a passionate and dedicated team. I look forward to welcoming and working with Mary Mazur, the new president and general manager of Vegas PBS, who will oversee the management and direction of all station operations. As he retires, we thank and salute Tom Axtell for his 26 years of leadership and stewardship of Vegas PBS and his devoted service to southern Nevada and the PBS system.

As we flip the calendar to 2021, I am asking you to join me and the members of the SNPT Board to continue supporting the work that allows this team to provide the programming and services that connect and enrich our community. You, our generous members and supporters, are the backbone of making this success possible. You can rest assured the valued,

trusted, and essential programming that sets the station apart has not changed.

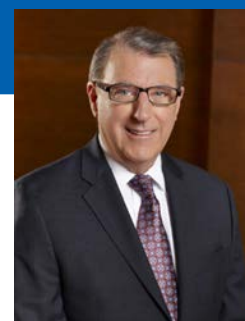

The year begins with a look at what it means to be an American today. **PBS American Portrait** is a four-part documentary series premiering on **Tuesday, January 5, at 9 p.m.** This remarkable crowdsourced storytelling project launched in January 2020 and has since collected more than 11,000 stories from people across America. In drama, a new series **Elizabeth Is Missing on Masterpiece**, premieres on **Sunday, January 3, at 9 p.m.** An adaptation of Emma Healey's acclaimed novel, the series tells the story of a woman trying to solve two mysteries as she declines ever deeper into dementia. All **Creatures Great and Small on Masterpiece** makes its debut on **Sundays at 9 p.m. beginning on January 10.** James Herriot's adventures as a veterinarian in 1930s Yorkshire get a glorious new adaptation in this seven-part series based on his beloved books.

Fans of live music can enjoy **In Concert at the Hollywood Bowl, Fridays at 9 p.m. beginning on January 15.** This remarkable six-episode series highlights some of the most unforgettable performances from the past 10 years at the Hollywood Bowl in Los Angeles – including Gustavo Dudamel and the Los Angeles Philharmonic, Carlos Santana, and more.

Because of you, the future of Vegas PBS is as bright as ever. Your investments in the station are investments in our community, yielding broad and wide returns. Thank you for keeping Vegas PBS strong – your trust gives the team the necessary support to continue delivering critical programs and services to all.

Happy New Year!

– **Clark Dumont, SNPT President**

Why I Support Vegas PBS...

Hello, my name is Arthur Dobbs and the beautiful lady you see pictured with me is my late wife, Helaine. Helaine and I were married for 50 years and we loved to watch Vegas PBS programs together. Helaine passed away on March 2, 2019, and in her memory, I have sponsored several of the shows that we used to watch together. This is a great way of supporting Vegas PBS and honoring the love of my life. Please consider sponsoring your favorite series in memory of or in honor of someone you love. Helaine and I have sponsored Dr. Blake Mysteries and Death in Paradise. After her passing I continued sponsoring Death in Paradise in her memory and now All Creatures Great and Small on Masterpiece.

Even though Helaine is not with me any longer, I know that she would want me to continue to sponsor our favorite shows and see this photo of her in the introduction with our sponsorship. In addition, I am able to sponsor these shows by taking the RMD (Required Minimum Distribution) from my IRA. This is a great opportunity for me to make a significant gift to Vegas PBS and avoid significant taxes on the RMD of my IRA.

Please consider sponsoring your favorite series. For more information on how you can sponsor or make a contribution from your IRA, contact Jim Ludwig at 702.799.1010 x5361 or jludwig@vegaspbs.org.
