MESSAGE FROM OUR PRESIDENT

Fall and The Season of Song

As the holiday season approaches, we look forward to celebrating traditions with friends and family. Among those beloved traditions is holiday music! On the cover this month is world-renowned tenor Andrea Bocelli. He returns to the screen with **Great Performances: Andrea Bocelli – Believe** on **Saturday, November 27 at 6:30 p.m.** His 2020 album recorded on location in Malta is one you don't want to miss. Selections performed include new interpretations of "Ave Maria" and a duet with Cecilia Bartoli in "Gratia Plena." The musical celebration continues with **Benise: Strings of Hope** on **Sunday, November 28 at 9:30 p.m.** Known as 'The Prince of Spanish Guitar,' Benise debuts seven new songs filmed in the 'Ruins of the Sacred Church.' His music appeals to the hearts and souls of people of all ages, cultures and backgrounds.

We have a special opportunity for you to see both of these internationally known artists in Las Vegas. Tickets are available to see **Andrea Bocelli** at the MGM Grand Garden Arena on Friday, February 18, 2022 and **Benise** at The Space Las Vegas on Saturday, February 19, 2022. Your donation to Vegas PBS is what helps us bring the best of music to your homes. Be sure to check out **page 11** for all the details on these exciting performances coming to town.

Our long-standing public affairs program **Nevada Week** recently served as the host of an important community conversation. **Nevada Recovers: A Nevada Week Special** featured a listening session with Nevada Governor Steve Sisolak, Nevada State Treasurer Zach Conine, State Superintendent of Public Instruction Jhone Ebert and Clark County School District Superintendent Dr. Jesus Jara. The goal was to get input on what issues in K-12 education warrant the highest priority for Nevada's allocation of the American Recovery Plan's funds. If you missed the broadcast of this one-hour special, you can watch it online at vegaspbs.org/nevadaweek.

Another exciting update on the public affairs front is the launch of a new weekend segment. **Nevada Week In Person** goes beyond the roundtable discussion of **Nevada Week**. Host Kipp Ortenburger sits down with guests for a more casual conversation about their personal passions, new projects, and compelling stories that are overlooked in the flurry of the news cycle. **Nevada Week In Person** airs on **Saturdays at 6:30 p.m.**

We continue celebrating the diversity of our community this month with Native American Heritage Month. Find a list of titles on **page 10**, including **The People's Protectors, Battle Over Bears Ears, Native America** and more. In observance of Veterans Day, we have a series of specials highlighting stories of service listed on **page 12**, including **The War (a film by Ken Burns)** and **American Veteran** — this documentary explores the present-day divide between civilian and veteran communities.

“The holidays are a time to share and remind us of good friends we can count on. Thank you for letting us count on you.”

The holidays are a time to share and remind us of good friends we can count on. Thank you for letting us count on you. Your generosity and support of our public television service is what makes our mission possible. May you start the holiday season with joy and hope for what is yet to come.

ABOVE & BEYOND

THE NEW LAND ROVER DEFENDER: CAPABLE OF GREAT THINGS.

How do you redefine an icon? Push harder. Dig deeper. You go above and beyond. You capture its very essence. Then you reimagine it. You design, engineer and build it without compromise. Until you've created a vehicle that's absolutely of the moment. One that's visually compelling, with a go-anywhere-do-anything attitude and toughness at its very core. Capable of great things, this is Land Rover Defender. It couldn't be anything else. So, whether you're exploring the rugged outback or conquering the commute, you can go your own way, visit Jaguar Land Rover Las Vegas for a test drive today.
