MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Summer Fun and Sunscreen On!

It only takes me a few minutes in the sun before I turn into one crispy critter, but I love a parade! Stay in and enjoy **A Capitol Fourth** on **July 4, at 8 p.m.** for the perfect solution! Year-over-year, our cover program continues to be one of our most popular. The musical performances and live fireworks deliver on all the patriotic flare that our nation's 246th birthday celebration deserves.

“School is out for the summer, but the learning at Vegas PBS goes all year round.”

School is out for the summer, but the learning at Vegas PBS goes all year round. The best part about our children's programming is the dedicated curriculum guides that complement each program. These resources are always free and available at vegas.pbslearningmedia.org. Beyond these online resources, our youngest viewers can watch all three seasons of **Vegas PBS STEAM Camp**, weekdays at 2 p.m. on Ch. 10.1. This program is built with a sense of curiosity and exploration at its core. A phenomenon-based question drives each episode's topic and we look to community experts for the right answers. The problems are put to the test through interactive STEAM challenges using everyday materials. In partnership with the Las Vegas-Clark County Library District, each episode also features books that support the topics and inquiry-based learning.

We are proud to collaborate with the Clark County School District on another summer learning project titled **Read With Me CCSD**. This campaign encourages students to continue building their reading skills over the summer months. By reading every day for at least 30 minutes a day, students can stay engaged and continue learning. Participating students can earn points for reading and completing other fun activities. The school with the most participation will receive a trophy.

Speaking of trophies, I am pleased to share that Vegas PBS is the recent recipient of five 2022 Telly Awards. This year's winners include a variety of digital-only series and original

television series, all created by our most talented local production teams. Among the winners are **Ali: Las Vegas Legacy**, **Vegas PBS STEAM Camp** and the **VEGAS PBS KIDS Writers Contest Presented by Janice Allen**. The Telly Awards honor video and television across all screens from around the world. Even more exciting is the fact that each of these series also received an Emmy® Award nomination from the National Academy of Television Arts and Sciences Pacific Southwest chapter. Your local support allows us to keep creating programs that tell the stories of our community. We are delighted to share these wins with all of you!

While we still have plenty of summer days ahead, we want you to "Save the Date" for this year's **Be My Neighbor Day** happening on **Saturday, September 24 from 10 a.m. to 2 p.m.**, at **The Lawn in Downtown Summerlin**. This event is truly a blast and has become a family favorite in our community! Last year we had an estimated 7,500 attendees, visits from our beloved PBS KIDS' characters Daniel Tiger and Katerina Kittycat, and plenty of family friendly activities. Put this date on your calendar now and stay tuned for more details to come about this event.

As families across the world recover from the unprecedented events from the last few years, Vegas PBS is uniquely positioned to help support the mental health and well-being of all individuals. Over the next year, you will see a greater emphasis on resilience and recovery, as well as trauma resources for the community. We will achieve this goal through a comprehensive programming and community outreach strategy. I can't wait to share more about the exciting projects we have coming up in this area later this year. Thank you for being a loyal supporter of this public media service.

**All the best,
Mary Mazur**

America ReFramed: Any Given Day

Thursday, July 7 at 5p.m.

Three Chicagoans participating in a specialized court probation program manage their respective mental illnesses while searching for stability in their families, friendships, jobs and housing. **Any Given Day** captures the hard-fought triumphs and struggles of living at the intersection of mental illness, poverty and addiction. Doc World: Afghanistan: The Wounded Land

**Sundays at 7 p.m.
beginning July 10**

Look at six decades of Afghan history through the eyes of those who were there.

Episode 1: Kingdom, July 10

In the 1960s, Afghanistan was divided between a westernized elite and a traditional, largely poor majority of the population. A communist revolution set these contradictions on fire.

Episode 2: Jihad, July 17

In 1979, the Soviet army entered Afghanistan. In reaction to this, the Afghans called for Jihad against the "godless" invaders. The "Soviets' Vietnam" began.

Episode 3: Taliban July 24

The Soviet army left Afghanistan, but the war continued between Mujahideen commanders. The country fell into chaos, until a new force emerged: the Taliban.

Episode 4: Trap July 31

Following 9/11 and the overthrow of the Taliban, an international coalition tried to bring peace and democracy to Afghanistan. But hopes were short-lived.
