MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Exploration and Adventure Await!

It's been quite the summer so far, hasn't it? Last month we launched our latest original digital series, **The Great Vegas Recipe**. I want to give a big thanks to Caesars Entertainment, Flavors for Life and the Corporation for Public Broadcasting for making the virtual event and series possible. In case you haven't had a chance to watch it, **The Great Vegas Recipe** has bite-sized episodes featuring world-famous Chef Martin Yan sharing recipes with the most talented students from CCSD's Career and Technical Education's Culinary Arts Program. Watch the entire series and the cooking demonstration at vegaspbs.org/greatvegasrecipe, and be sure you don't miss the finale of **The Great American Recipe** on **Friday, August 12 at 9 p.m.**

If you haven't been able to get away, Vegas PBS has your express ticket to the world! Take a trek to the Highlands with **Miriam and Alan: Lost in Scotland** on **Monday, August 8 at 9 p.m.** where Miriam Margoyles (**Call the Midwife**) and Alan Cumming (**Masterpiece Mystery**) get cozy traveling in a mobile home, mixing wit and memories as they return to their Scottish roots. Then, meet up with the man behind the music of "Star Wars," "Jurassic Park" and "Harry Potter" in Germany with **John Williams: The Berlin Concert** on **Friday, August 19 at 8:30 p.m.** Finally, be sure to head to a place that holds a special spot in my heart, Vienna, Austria. **Great Performances** brings us the wonderful **Vienna Philharmonic Summer Night Concert 2022** on **Friday, August 26 at 9 p.m.** from the stunning gardens of Schönbrunn Palace. When I was in college, I was fortunate to receive a scholarship enabling me to spend my junior year in that enchanted city. Expensive concert tickets were not in the budget, but student pricing and performances such as this free open-air event let me enjoy the city right alongside of the "paying customers." I promise this program will be a treat to see and hear!

Scorching temperatures might keep some of us inside, and if that's the case, Vegas PBS still has you covered with an excellent selection of streaming options. Fans of classic mysteries will be excited to hear that the original series of **Van Der Valk** from the 1970s will be available for streaming starting on **Thursday, August 11**. Both seasons of **Guilt on Masterpiece** will be available to binge on **Sunday, August 28**. And if you somehow haven't gotten around to **Grantchester on Masterpiece** yet, I highly recommend checking out the entire series on Passport.

The work of Ken Burns has become a staple of PBS programming. During the month of August, over 40 of his documentaries will be available for streaming. Learn about the many iconic aspects of American culture, such as **Baseball**, **The National Parks**, and **Country Music**. Burns' latest project, **The U.S. and the Holocaust**, premieres in September. This documentary, produced with Lynn Novick & Sarah Botstein, tells the story of how the American people grappled with one of the greatest humanitarian crises of the twentieth century, and how this struggle tested the ideals of our democracy. Our programming this month delves into other elements of American history, from the relationship with our equestrian companions on **Nature: Equus: Story of the Horse** on **Wednesday, August 17 at 7:30 p.m.** to our struggles against hostile conditions with **Surviving the Dust Bowl: American Experience** on **Wednesday, August 31 at 10 p.m.**

While kiddos (and adults) may start to feel the blues as the fun in the sun comes to an end, we can celebrate the exciting schedule of events and programming during the months ahead. Classes at CCSD begin on **Monday, August 8** and with that comes a new season of **Student Spotlight** in September, highlighting the best that our teachers and students have to offer. Stay tuned for more information about our **2022 VEGAS PBS KIDS Writers Contest Award Show**, and don't forget to mark your calendar for **Daniel Tiger Be My Neighbor Day** on **Saturday, September 24, 2022**, at **The Lawn at Downtown Summerlin**. This community favorite event is fun for the whole family and promotes being a caring neighbor. Learn more at vegaspbs.org/bemyneighbor

“Thank you for being a part of this community.”

Speaking of caring neighbors, at Vegas PBS we know what it means to have supporters who care about our work. Everything we do is made possible by a dedicated network of donors such as yourselves. Whether it's through your gifts, volunteering, or simply your viewership, your support of public media is invaluable. Thank you for being a part of this community.

The Buddha

The Buddha

The Buddha **Monday, August 1 at 10 p.m.**

Two-and-a-half millennia ago, a new religion was born in northern India, generated from the ideas of a single man, the Buddha, a mysterious Indian sage who famously gained enlightenment while he sat under a large, shapely fig tree. The Buddha never claimed

to be God or his emissary on earth. He said only that he was a human being who, in a world of unavoidable pain and suffering, had found a kind of serenity that others could find, too. This documentary by award-winning filmmaker David Grubin tells the story of his life, a journey especially relevant in our own bewildering times of violent change and spiritual confusion. Richard Gere narrates.

Jackie Robinson **Mondays at 10 p.m. beginning August 22**

BE PREPARED FOR Wildfire Season

**PUBLIC
SAFETY
OUTAGE
MANAGEMENT**

Public Safety Outage Management (PSOM) is a key measure of defense against wildfires. During a PSOM event, power is shut off for safety in extreme and elevated fire risk areas when certain environmental conditions are met to help prevent wildfires.

- Be prepared for a PSOM event:
Update your contact information at nvenergy.com/myaccount.
- If you or permanent members of your household are dependent on electrically operated medical equipment 24/7, we encourage you to enroll in our Green Cross program.
- Know your PSOM Zone.
- Identify backup charging methods for phones, including a cell phone charger that can be used in the car.
- Have a personal safety plan in place for every member of your household including pets and livestock.
- Know how to manually open your garage door.
- Build or restock your emergency kit with flashlights, fresh batteries, first-aid supplies, food and bottled water per the guidelines found at ready.gov.
- Sign up for emergency alerts from your county so that you can be informed of other wildfire safety-related updates.

Why We Support Vegas PBS...

WALLY WOMBATS

Wally Wombats indoor playground was created to offer a sensory environment for kids to explore and learn with their parents. We believe a child's life should be about fun and games! This is why we also support Vegas PBS.

The award-winning educational programming on Vegas PBS offers children and parents access to fun and stimulating lessons that are essential for learning responsible life skills. Our Spot 4 Tots therapy department offers speech, physical and occupational therapy that are also designed to help children meet their developmental milestones.

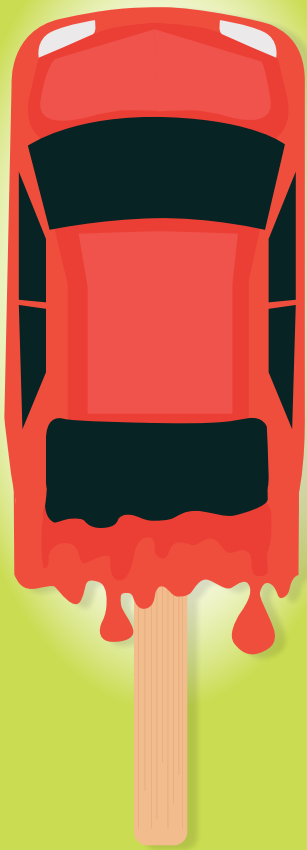

Daniel Tiger's Neighborhood and **Clifford the Big Red Dog** are always requested by children on our waiting room televisions, and this is why we sponsor the programs. Success of the Wally Wombats sponsorship has even drawn attention from visiting celebrities.

Responsible citizenship is the foundation of a healthy community and Wally Wombats is proud to join with Vegas PBS in doing our part to stimulate the minds of leaders for tomorrow.

We look forward to continuing to create a stimulating sensory environment with Vegas PBS in Nevada.

ABOVE & BEYOND

LAND ROVER DEFENDER: EMBRACE THE ELEMENTS.

The Land Rover Defender story began with the simple thought of creating an exceptionally capable off-road vehicle. Today, the Land Rover Defender builds on the legacy of previous versions, but it's a completely new vehicle that can confidently take you to some of the most remote places on earth—and back again. Visit Jaguar Land Rover Las Vegas for a test drive today.
