# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Annual Traditions and Tomorrow's Tidings

Never have I found another place that is as uniquely beautiful as the desert in winter. While we may not have snow on our porches, it is certainly cold enough for me to justify a fire in the fireplace, and the brisk and refreshing air is a welcome gift after months of grueling heat. With gifts top of mind, we hope you'll appreciate this month's programming offerings. Forgive us for not having time to wrap them!

**“Up ahead, 2023 is sure to be filled with more excitement and joy.”**

Going out for a night on the town is back, but first settle in on **Sunday, December 4** for two great performances that you will be able to see in person early in 2023! **At 4 p.m.**, Benise returns to PBS with his latest, **Benise: Fiesta!**, a fiery mix of Cuban salsa, Spanish flamenco, Brazilian samba, African drumming and more. Right after at **6:30 p.m.**, experience the magic, artistry and magnetism of two powerhouse vocalists on **Daniel Emmet & Pia Toscano: Simply the Best**. Vegas PBS has exclusive offers to see both Daniel Emmet and Pia Toscano live in concert, and Benise as well! Check out Page 11 or [vegaspbs.org/tickets](http://vegaspbs.org/tickets) for more information.

To celebrate the season, we're proud to showcase several holiday-themed programs. **O Holy Night: Christmas with the Tabernacle Choir** airs **Tuesday, December 13 at 8 p.m.** Actors Megan Hilty and Neal McDonough join The Tabernacle Choir and Orchestra at Temple Square for an Irish-inspired edition of this heartwarming annual tradition. **On Tuesday, December 20 at 9 p.m.**, **Dreaming of a Jewish Christmas** tells the story of the Jewish immigrants who, enamored with Broadway and Hollywood, wrote some of the most popular American Christmas songs. And of course, the annual **Call the Midwife Holiday Special** airs right on Christmas Day, **Sunday, December 25 at 9 p.m.** Life begins to return to normal as the midwives move to their maternity clinic and Poplar unites for a festive talent show.

Give or take a few individuals, there is likely no comedian who left such an indelible impact on pop culture as Groucho Marx. His iconic appearance and vaudeville antics are unmatched. In the newest edition of **American Masters**, explore Marx's influence on and friendship with Emmy Award-winning television personality Dick Cavett. **Groucho & Cavett: American Masters** premieres **Tuesday, December 27 at 8 p.m.**

You'll likely be excited to hear about the shows returning with new episodes next month as well. Dr. Henry Louis Gates, Jr., has illuminated the family histories of public figures for years, each time provoking a thoughtful and emotional reflection on how our ancestors shape who we are in the present day. Season 9 of **Finding Your Roots** returns **Tuesday, January 3** with Viola Davis, David Duchovny, Julia Roberts, Danny Trejo, Cyndi Lauper, Carol Burnett, Van Jones, Angela Davis and many more. And coming right off the heels of a daring second season, **Miss Scarlet and the Duke** continues to follow the odd couple of Eliza Scarlet and William "The Duke" Wellington as they tackle a series of fascinating cases in Victorian London. Meanwhile, in Yorkshire, wedding bells chime and animal ailments abound in the highly-anticipated new season of **All Creatures Great and Small!** Catch both premieres on **Sunday, January 8**.

Up ahead, 2023 is sure to be filled with more excitement and joy. Providing Southern Nevada with the annual events and programs we're known for and delivering new and innovative productions is our privilege, and I thank you for helping to make that possible. Your support is the greatest gift Vegas PBS can look forward to every year. Thank you, and happy holidays!

**All the best,  
Mary Mazur**

## America ReFramed: The Blessing

**Thursday, December 1 at 5 p.m.**

A Navajo coal miner, Lawrence, raises his secretive daughter as a single father, while struggling with his part in the irreversible destruction of his tribe's sacred mountain. This deep spiritual sacrifice has caused him decades of emotional turmoil while providing for his family. Meanwhile, his daughter Caitlin searches for her inner identity amidst the expectations of her traditional father.

## Stories from the Stage: Holiday Spirit

**Monday, December 5 at 6:30 p.m.**

Top storytellers share stories that conjure the holiday spirit. David Dean Bottrell discovers his passion after stealing the school play's spotlight; Andrea Kamen's bright menorah cuts through the darkness of anti-Semitism; and Joe Charnitski tries to break a nightmare-before-Christmas bad luck streak.

## Stories from the Stage: The Perfect Gift

**Monday, December 19 at 6:30 p.m.**

It is often said that it is better to give than to receive. But no matter which side of the transaction we're on, gifts have the power to simply bring a smile or even save a life. Christine Gentry donates a kidney to a stranger; Stacey Bader Curry dreams of one gift but gets another; and on the night of her first big high school dance, Mary D'Alba gets an amazing gift from her dad.

Our company's support of Vegas PBS is imperative. I have two daughters — now both young women with families of their own — who watched and learned from PBS supported shows like **Mr. Rogers Neighborhood** and **Sesame Street**, as children. My late mother's favorite television show was **Lawrence Welk** and **Famous Kitchens** on **CREATE**. Today, as a business partner of Vegas PBS we view our commitment on par with paying a "past due" invoice for all the wonderful contributions Vegas PBS has made to enrich lives. Vegas PBS is a relevant and all-important member of the village that has raised our children while providing joy, education and enrichment through the arts. Our Las Vegas based corporation could not be prouder of our relationship with Vegas PBS. The mission and the endeavors their team undertakes is amazing. From our team to yours, thank you Vegas PBS for all you have provided and continue to accomplish.
