# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Notes From History

This month, **Great Performances** celebrates its 50th anniversary. I remember my grandmother making sure we didn't miss the episode featuring the great Arthur Rubinstein. She was so happy to introduce me to his genius, as I'm sure this series has done for many others through the years. Knowing that decades worth of legendary performances are now available on-demand is nothing short of a wonder.

To mark this milestone, enjoy **Great Performances: Celebrating 50 Years of Broadway's Best**, a show-stopping performance on **Friday, May 12 at 9 p.m.** This special, hosted by two-time Tony Award-winner Sutton Foster, presents a revue of remarkable shows and songs from 1973 to 2023. With performances by André de Shields, Robyn Hurder, Jane Krakowski, Norm Lewis, Donna McKechnie, Betty Buckley, Jessie Mueller, Chita Rivera, Vanessa Williams and many more.

**“We strive to bring you a variety of programs that showcase our national identity and history, while also sharing spectacular experiences from across the world.”**

May 8-12 is Teacher Appreciation Week. I'm proud that Vegas PBS not only helps foster an educated community in Southern Nevada through educational programming, but also through a variety of services like our Learning Neighborhood Van and Ready To Learn Workshops. Series like **Student Spotlight** recognize not only exceptional students, but also the teachers who help them succeed. We want to take this opportunity to express our heartfelt appreciation and gratitude for our educators in the Clark County School District. Thank you.

If you're feeling the heat beginning to creep in, take an escape to the brisk climate of Northern Europe. **Wild Scandinavia** takes you to three iconic Scandinavian landscapes: the hauntingly beautiful coast, the magical seasonal forests and the volcanic and arctic extremes. Surprising wildlife stories of lynx, puffins, orcas and wolves reveal the resilient spirit of Scandinavia. **Wednesdays at 8 p.m.**, beginning **May 10**.

On **Monday, May 22 at 10 p.m.**, a new **Independent Lens** documentary turns the dial back to 1960s Sacramento, where two Filipina American sisters got together with other teenage girls to play music. Little did they know their garage band would evolve into the legendary rock group Fanny, the first all-women band to release an LP with a major record label. **Fanny: The Right to Rock** recounts the early days of this music group to their reunion 50 years later. The film includes interviews with a large cadre of music icons, including Def Leppard's Joe Elliott, Bonnie Raitt, The Go-Go's Kathy Valentine, Todd Rundgren, The Runaways' Cherie Currie, Lovin' Spoonful's John Sebastian, The B52's saxophonist Kate Pierson, Charles Neville and David Bowie collaborators guitarist Earl Slick and bassist Gail Ann Dorsey.

The tradition continues as PBS brings you the **2023 National Memorial Day Concert** on **Sunday, May 28 at 8 p.m.** Hosted by Joe Mantegna and Gary Sinise, this event honors our country's veterans, recognizing the sacrifices made by those who have answered the call to serve.

We strive to bring you a variety of programs that showcase our national identity and history while also sharing spectacular experiences from across the world. Your ongoing support is a testament to the power of public media and empowers us to continue delivering quality content. Thank you for making it all happen.

**All the best,  
Mare Mazur**
