MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Turning Up the Heat

With Independence Day right at the top of this month, there's no better way to celebrate than with **A Capitol Fourth** on Vegas PBS. This spectacular program, a tradition for over 40 years, captures the essence of our nation's inception through breathtaking fireworks and incredible performances by renowned artists. Tune in to this star-spangled extravaganza on **Tuesday, July 4 at 8 p.m. Re-airs at 9:30 p.m.**

Wednesdays at 9, beginning July 5, check out Human Footprint, a fascinating new series that explores the impact of human beings on our planet. Through stunning visuals and thought-provoking narratives, this program reveals the astonishing extent of our consumption, waste and interconnectedness with the natural world. It's an eye-opening journey that sparks conversation about our collective responsibility to protect our environment.

66 Whether you're craving music, laughter, thought-provoking documentaries, or captivating travel experiences, tune in and embark on an unforgettable journey."

If you're in the mood for a dose of laughter and charm, look no further than the beloved series **Doc Martin**. Follow the misadventures of the grumpy yet endearing Dr. Martin Ellingham as he navigates the quirks of life in a small Cornish village. With its picturesque setting, memorable characters and irresistible blend of comedy and drama, it's the perfect escape into a world of delightful eccentricity. **Thursdays at 9 p.m., beginning July 13**.

Nevada Week celebrates its fifth anniversary this year, with **Season 6** beginning **Friday, July 14 at 8 p.m.** This revival of the classic Vegas PBS public affairs show has won and been nominated for numerous accolades, and has covered a variety of topics important to life in our state. This new season will carry on the tradition of high editorial standards you expect from Vegas PBS; with a robust team of producers, reporters, videographers and editors, we hope to bring you the stories that matter most.

Get your summer adventures in with the best travel companions you can find, Miriam Margolyes and Alan Cumming! Fridays at 10 p.m., beginning July 21, it's a new season of Miriam and Alan: Lost in Scotland! The duo with an endless wit cross the pond, exploring Southern California and even paying a visit to Las Vegas! Their enthusiasm and infectious spirit make for a delightful travel series that will leave you yearning to discover the wonders of the world.

If you're already thinking about your fall planning, be sure to mark your calendars for the return of **Be My Neighbor Day** on **Saturday, October 7, 2023**! Attendees engage in community-faced acts of kindness and take part in family-friendly activities at this popular annual event. To learn more as the date approaches, or if you're interested in being a vendor at this event which regularly has over 8,000 estimated guests, visit **vegaspbs.org/bemyneighborday**

These shows are just a glimpse of the unique content available only on Vegas PBS. I'm very excited to show you what else we have cooking once it's ready. So, whether you're craving music, laughter, thought-provoking documentaries, or captivating travel experiences, tune in and embark on an unforgettable journey. Thank you for your support.

All the best, Mare Mazur

Terror and Hope: The Science of Resilience

Monday, July 17 at 11:30 p.m.

Is there a role for compassion in the practice of science? Follow scientists and humanitarians as they combine cutting-edge research and informed care to heal Syrian refugee children traumatized by the devastating stress of war.

Human Footprint: Man's Best Friend

Wednesday, July 19 at 9 p.m.

Shane discovers why dogs are more than "Man's Best Friend" — they have been reshaped by evolution into humans' perfect partner. And, just as we've transformed them, dogs have left an unmistakable pawprint on us — and the world we share.

Tending Clouds

Sunday, July 23 at 11 p.m.

NASA's Cassini probe explores Saturn's icy rings and moons, capturing ring-moon interactions and revealing ingredients for life on the moon Enceladus.

Daniel Emmet & Pia Toscano: Simply the Best

Friday, July 28 at 9 p.m.

Experience the show-stopping magic, artistry and magnetism of two powerhouse vocalists in a concert recorded at an iconic Las Vegas venue. It's a romantic night of music filled with beloved classics and newfound favorites.

Luna and Sophie, Season 2

Saturday, July 29 at 10:30 p.m.

Childhood best friends and detective duo Luna Kunath and Sophie Pohlmann are back to rid the streets of Potsdam from crime with their talented team. (From Walter Presents, in German with English subtitles.)

Joe Bonamassa: Tales of Time Sunday, July 9 at 3 p.m.

Tune in for a live performance of "Time Clocks" — a sprawling and expansive musical undertaking filmed in August 2022 at the iconic Red Rocks Amphitheater in Colorado. Joe's virtuoso guitar style elevates the evening's performance to a stratospheric level and the overall experience to an almost heavenly high. The visual spectacle of the rocks is almost dwarfed by the unique and incredible imagery of the show's backdrop, which highlights the beauty of the live music.

Celebrate the cultures that have shaped Hawai'i through food and untold stories. Host/Chef Ed Kenney explores food memories and family tales that take us from Hawai'i to across the Pacific and then back with dishes and that open up stories of the human experience. Ed's philosophy of "local first, organic whenever possible and aloha always" resonates throughout the series. He embarks on a path of revelation, inspiration and enlightenment with friends old and new as he follows their cherished family dish from a Hawai'i neighborhood to its origin.

Inside High Noon Sunday, July 30 at 1:30 p.m.

Explore the landmark 1952 film starring Gary Cooper, Grace Kelly, Lloyd Bridges and Katy Jurado, and the gripping story behind its troubled production. The documentary reveals how many of the studios passed on the project and major Hollywood actors turned it down before Gary Cooper accepted the lead role. When it was ultimately released, "High Noon" was seen by some as an attack on the House Un-American Activities Committee (HUAC).

Power of a Pardon July 3

For five formerly incarcerated individuals who served their time, the only path to redemption and chance to pursue their life's purpose is through the Pennsylvania Board of Pardons. Through intimate and, at times, nerve-racking stories, follow these individuals as they show how life-altering a pardon and criminal justice reform can be when trying to build a life after prison.

Firsthand Gun Violence July 10

The number of victims of Chicago's gun violence may fluctuate, but the psychological trauma in many neighborhoods is constant. How do wounded communities heal? Firsthand: Gun Violence, explores the personal, firsthand perspectives of people whose lives have been affected by gun violence in Chicago.

DocWorld: Crossings

Sunday, July 23 at 7 p.m.

A group of international women peacemakers sets out on a risky journey across the demilitarized zone between North and South Korea, calling for an end to a 70-year war that has divided the Korean peninsula. The groundbreaking mission of Women Cross DMZ is captured in an intimate cinema vérité style, framed with historic newsreels of the Korean War and punctuated with dramatic contemporary news coverage.
