MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Resilient Iconography

I love fall! After the thrill of summer adventures, autumn is the time I like to settle into the rhythms of family and home, and it can also serve as a time for reflection. One of the things I enjoy most about our content is how it seeks to thoughtfully capture and carry on the hallmarks of our culture. This season, we immerse ourselves in these journeys and narratives, celebrating the power of storytelling and the enriching experiences that define who we are.

“This season, we immerse ourselves in these journeys and narratives, celebrating the power of storytelling and the enriching experiences that define who we are.”

Step into the heart of American wilderness with Ken Burns' latest documentary, **American Buffalo**, premiering on **Monday, October 16 and Tuesday, October 17 at 8 p.m.** This documentary focuses on the remarkable history of these majestic creatures, shedding light on their resilience and significance to the American West. Through breathtaking visuals and compelling narratives, **American Buffalo** delves into the intricacies of their existence and our relationship with them.

Travel enthusiasts rejoice as **Rick Steves' Europe — Fridays at 8:30 p.m. beginning October 6** — returns with a new season, guiding us through picturesque landscapes, historic sites, and the vibrant cultures of Europe. With Rick Steves as our knowledgeable companion, we're in for an enriching exploration of the continent's hidden gems.

Sunday, October 15 has a triple premiere of great dramas. At **8 p.m.**, **Hotel Portofino** offers a glimpse into the world of luxury and hospitality. Set against the backdrop of the stunning Italian Riviera, this series unveils the inner workings of a lavish hotel. Then at **9 p.m.**, **World on Fire** transports us to the tumultuous times of World War II, where ordinary people caught in the chaos of war make great sacrifices and maintain an unwavering hope amidst adversity. Finally, at **10 p.m.**, meet the fearless and brilliant detective, **Annika**. This captivating series follows Detective Superintendent Annika Strandhed as she navigates complex cases with her intelligence and dedication.

Season 2 of **Native America** returns on **Tuesdays at 9 p.m., beginning October 24**. This groundbreaking portrait reveals the beauty and power of today's Indigenous world. Smashing stereotypes, it follows the brilliant engineers, bold politicians, and cutting-edge artists who draw upon Native tradition to build a better 21st century.

In the 1970s, disco dominated American pop music. Originating in nightclubs that featured record players instead of live bands, it was a major stylistic departure from rock, and its rise to the top of the music charts signaled a cultural shift that some found threatening. **The War on Disco: American Experience** explores the cultural movement that gave rise to disco music, and the backlash that tried to destroy it. Discover the whole story on **Monday, October 30 at 9 p.m.**

Our top priority is to continue enhancing your media experience with a remarkable array of programs that cater to diverse interests and passions. Stay tuned for the exceptional, the enlightening, and the unforgettable. After all, it's not just television; it's a window into the world of discovery. Thank you for your support.

**All the best,
Mare Mazur**

From a holy Yazidi temple in Kurdistan to the "court of churches" in Mosul's old city, we get a glimpse of Northern Iraq's cultural and religiously pluralistic past. Finally, a diverse group of Iraqis comes together to form an eastern orchestra that performs ancient Assyrian songs.
