MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Charting the Course

In 2024, Vegas PBS is committed to cultivating even stronger connections with our community. As we stand on the cusp of a new year, it's not just a change in the calendar; it's a beckoning of possibilities and the promise of a future filled with discovery and growth.

“As we stand on the cusp of a new year, it's not just a change in the calendar; it's a beckoning of possibilities and the promise of a future filled with discovery and growth.”

I find immense joy in sharing the diverse and captivating stories of our community. One such gem is **Outdoor Nevada**. In the hustle and bustle of our city's rapid development, this program serves as a refreshing and enlightening exploration of the natural wonders that surround us.

Starting on **Wednesday, January 17 at 7:30 p.m.**, episodes of **Outdoor Nevada Season 6** feature Great Basin National Park, Jarbidge, Lamoille Canyon, the Big Dunes in Amargosa Valley and various other locales. Guiding viewers through these exciting adventures is new host Connor Fields. If that name sounds familiar, you may remember him bringing home a gold medal for the U.S. during the 2016 Olympics.

Now retired from BMX riding, this Las Vegas native is ready to show us the hidden treasures and untold stories that lie just beyond our doorstep. Traversing through national parks, trails, and scenic spots, Connor meets the passionate individuals who dedicate their lives to preserving and sharing the wonders of our environment and communities. It's a testament to the spirit of exploration and conservation that defines the essence of Nevada.

In a world filled with constant motion, shows like **Outdoor Nevada**, the online companion **Tales from the Trails** with its interactive map, **Wild Nevada**, **NATURE** and more invite us to pause, appreciate, and connect with the remarkable landscapes that make our state unique. Whether you're an avid outdoor enthusiast or someone discovering the beauty of nature for the first time, this program is a gateway to adventure.

Thank you for your continued support of Vegas PBS, where we believe in the power of storytelling to connect, inspire and foster a sense of community.

**All the best,
Mare Mazur**

Voice of Freedom: American Experience

Sunday, January 14 at noon

On Easter Sunday, 1939, contralto Marian Anderson stepped up to a microphone in front of the Lincoln Memorial. Inscribed on the walls of the monument behind her were the words “all men are created equal.” Barred from performing in Constitution Hall because of her race, Anderson would sing for the American people in the open air.
