# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Soul-Stirring Revelations

In the ever-evolving tapestry of American history and culture, there are stories that resonate with the soul, and Henry Louis Gates, Jr., has an unparalleled talent for bringing these narratives to life through programs like **Finding Your Roots**, **The Black Church**, and **Making Black America**.

In the new four-part series, **Gospel**, premiering on **Monday, February 12 and Tuesday, February 13 at 9 p.m.**, Dr. Henry Louis Gates, Jr., speaks with dozens of clergymen, singers and scholars about their connection to the music that has transcended its origins and now spreads “the good word” all around the world. The series features interviews with notable names including Dionne Warwick, U.S. Senator Raphael Warnock, Rev. Otis Moss III and Professor Michael Eric Dyson, as well as awe-inspiring musical performances of Gospel favorites “Can’t Nobody Do Me Like Jesus,” “Total Praise” and others from talents including The Belle Singers, Cory Henry and Celisse. Ahead of the premiere, there will also be a one-hour special, **Gospel Live!** on **Friday, February 9 at 9 p.m.**, featuring performances by Anthony Hamilton and The Ton3s, Latocha, John Legend, Mali Music, Lena Byrd Miles and more.

**“ In the ever-evolving tapestry of American history and culture, there are stories that resonate with the soul.”**

On **Tuesday, February 13 at the West Charleston CSN Campus**, we'll be holding our next Community Listening Session for the **Nevada Democracy Project**, a new initiative focused on civic engagement and community conversations. This partnership between Vegas PBS and The Nevada Independent is based on the democratic principle that every Nevadan — regardless of background — who is affected by an issue should have a say in the decision-making around it. Our last community listening session in November at the West Charleston Library generated a thought-provoking and spirited conversation that touched on issues like voter turnout, education, law enforcement and more. The town hall environment is an engaging atmosphere that empowers all citizens to make themselves heard. For more information on how to attend and participate, visit [vegaspbs.org/nevada-democracy-project](https://vegaspbs.org/nevada-democracy-project).

And up ahead, I'd like to extend to you a personal invitation to **The Big Party** at the Industrial Event Space in Downtown Las Vegas on **Friday, March 22, 2024!** This special event benefiting public television will be a wonderful evening with culinary delights, entertainment and interactive stations featuring Vegas PBS Original Productions, such as **Nevada Week**, **Outdoor Nevada**, **Bienvenidos a Las Vegas** and **Vegas All In**. For more information and to RSVP, visit [vegaspbs.org/bigparty](https://vegaspbs.org/bigparty).

As we navigate the dynamic landscape of public broadcasting, your support remains the cornerstone of our success. Thank you for being an integral part of the Vegas PBS family. Together, we are shaping the future of local media and fostering a stronger, more informed community.

**All the best,  
Mare Mazur**

# Freedom House Ambulance: The First Responders

Sunday, February 4 at 11 a.m.

In 1967, Pittsburgh's inner city produced America's first EMT service. Comprised solely of Black men and women recruited from the city's Hill District neighborhood, the paramedics of Freedom House Ambulance became trailblazers in providing pre-hospital and CPR care. Their groundbreaking work became the basis for all paramedics training in the country. However, despite its success, racism and power dynamics in Pittsburgh shut down Freedom House in 1975, leaving its legacy almost lost to history.
