MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

Resolutions

It's a new year!

Many use this time to commit to resolutions for the new year; try new foods, take up a hobby, or spend time in nature. In the world of television, "resolution" has a slightly different meaning. It's a measurement of quality. Audio resolution, display resolution, image resolution ... the list goes on.

“In the world of television, 'resolution' has a slightly different meaning. It's a measurement of quality.”

I think the two definitions are complementary. In fact, I think they work in tandem. We're kicking off 2025 with a new and greatly improved resolution. Our broadcast and engineering team has accomplished a herculean feat in replacing our transmitter and six translators. This enables us to reach outlying communities and even remote regions with the strongest and most reliable signal in the entire state. Therefore, let us resolve this year to continue bringing you the quality you expect from Vegas PBS and to keep raising the bar – not only with what you are watching, but with how you are watching!

2025 on Vegas PBS starts with something many of you have been waiting for, the new season of **ANTIQUES ROADSHOW**, which includes episodes recorded at the Springs Preserve in Las Vegas. There were many fascinating finds, from valuable jewelry to unique artifacts of American history. The **ROADSHOW** let us take a look behind the scenes of the beloved PBS series, resulting in the brand new special, **Desert Treasures**, hosted by news personality Nathan Tannenbaum. You won't want to miss these shows, so check page 6 and vegaspbs.org/schedules to find when and where to watch.

New episodes of **Finding Your Roots With Henry Louis Gates, Jr.**, start in January. Explore the fascinating ancestries of various public figures, such as Kristen Bell, Laurence Fishburne, José Andrés, Amy Tan and many more. Through Gates' discerning touch, his guests learn what every family history shares — love, courage and sacrifice — and how our histories transcend borders, merging to form an American root system fortified by its diversity.

Everything we do throughout the year is made possible through generous support from people like you. I hope we continue to earn that vote of confidence this year. Thank you.

**All the best,
Mare Mazur**
